

MASON WELLS

SUMMARY OVERVIEW

BACKGROUND

Mason Wells is a highly experienced and active Midwest-based private equity firm with over \$1.5 billion under management including Mason Wells Buyout Fund V, a \$767 million fund. Our approach to every relationship reflects our belief that three essential elements advance success in private equity investing: exceptional skill, rigorous discipline, and straight talk.

Mason Wells focuses on two key aspects of every transaction:

THE MANAGEMENT TEAM

Mason Wells seeks to support founders, family owners and managers in the transition of ownership to help companies and owners realize their potential while preserving legacy and culture.

OPPORTUNITIES TO BUILD AND IMPROVE A BUSINESS

We work in partnership with experienced, entrepreneurial management teams to implement our disciplined and proven Value Creation System to create long term, sustainable value in companies.
